Everyone was encouraged to draw up plans and post during December to be further discussed and voted upon at the January meeting.

There are bow stands to be set up and 28 or more can be made with supplies at range. Jon and James volunteered. The club will reimburse any costs for welding supplies, paint, etc.

Jon volunteered to be in charge of the registration at the indoor shoots on Thursday nights. Phil gave him the petty cash. Jeanne will send Jon a list of current members and those that have not renewed for 2010. Jeanne will take care of the Wednesday night youth shoot and requested petty cash of \$100.

A discussion was held about moving the two storage containers to the north end by the Chicken Shack. A decision will be made at the next meeting if this is viable. The National Guard is being contacted again by Bill and Jon about doing additional work at the range. They could move the sheds and smooth the practice range area.

The next meeting will be held on Thursday, January 14<sup>th</sup> at 7:30 PM at the Indoor Shoot. There will also be a meeting on February 11<sup>th</sup> at the Indoor Shoot. We will try to have meetings on the second Thursday of every month.
