## President's Message

**JUNE & JULY 2009**

The **Summer League** is continuing with about 15 shooters every Thursday beginning 5 PM until August 6th. Come early to help set out the targets, start shooting by 6:30 PM and help put away the targets by 8 PM. There are sixteen 3-D targets placed on the hunter and field rounds. Everyone keeps their own scores; just a fun evening for practice and getting acquainted. The cost is for ISHI members \$5.00 and non-members \$10.00.

The **gate combination** will be changing on July 15<sup>th</sup>. **Membership renewals are now due.** Please use the bottom half of this newsletter when paying. ***Make checks payable to "Ishi Archery Club" and mail to 859 Washington Street, PMB 184, Red Bluff, CA 96080.*** Renewal rates are \$30 for individuals; \$35 for family; and \$15 for students. Your dues pay for the liability insurance (\$7.00 for individuals; \$15.00 for family) and regional dues for non-NFAA members (\$10 for head of household). Then we have another \$18 per address for newsletter mailings per year. Our two tournaments, March & May, the summer & indoor leagues and the fair help maintain the range. As an Ishi member, you are expected to help keep the range in shooting condition. Volunteering and attending work parties are an important responsibility being an Ishi member! We want to keep the dues affordable so your help is vital!! As you see, only half of your dues stay local so your time is important!!!

----- Clip and return with payment, please -----
