LATE SUMMER 2011

Our next **club meeting** will be **THURSDAY, September 1st at 7 PM** at Luigis Pizza, Red Bluff. We need to make major decisions our Fall & Winter activities.

- Do we have a turkey shoot? Need someone to volunteer to have supplies to set up. Date?
- Do we continue the Indoor Winter League on Thursdays at the fairgrounds in December, January &/or February? It costs about \$100 a night and we need more shooters to break even!
- Do we continue the Youth Shoot on Wednesdays in January & February? There have been enough shooters to break even but we need more 4-H certified instructors.
- Do we have our annual Holiday potluck? If yes, where and when?
- We need to finalize the dates for our annual shoots in March and May. Do we continue the youth shoot?

We are hosting the **archery booth at the Tehama District Fair**, September 22-25, again! Contact Phil Raglin, 527-7758, to volunteer to man the booth during the fair. We need 4-6 people at all times. Contact Leland George, 527-4200, to help set up and dismantle (Wednesday & Monday).

Work parties have not been scheduled but if you have some time to work on butts, grounds, etc., call Zack for more information. The range is in good shape. Thank you to everyone that helped this year! Hopefully, the practice range will be taking shape soon. We are waiting for Outback Construction to have equipment and labor available. We will also be graveling the new road on the eastside and loop around the practice range.

There is a **supply of paper targets** in the registration booth. Members are welcome to replace targets on the hunter and field rounds. There is a chart on the bulletin board and with the targets as to type and size for each target butt.
