

General Range Work Items:

1. We need to rebuild the practice range target butts. All butts are in front of the registration booth. First step is to dismantle the old ones and save the good carpet to reuse.
2. Take a trip to Chico and pick up more carpet. First, call Larry at 624-9118 or 879-0100 ext 3120 to check on amount available. The location is 1070 Marauder Street, Suite 100, Chico.
3. We need a paint donation for all the benches, backstops and picnic tables. Does anyone have a contact at a paint store?
4. All Outhouses need to be service prior to the shoots. Best to do the day before; Ben's Toilets will pump in early March.
5. Clean Chicken Shack (Best to do the day before) and limb the trees in the area.
6. Clean the registration booth (Best to do the day before)
7. Clean the food concession booth (Best to do the day before)
8. Take an inventory of the hunter & field round targets in the registration booth.
9. Spray along the driveway to expand parking area and decrease fire hazard.
10. Raise the side boundary fence wire on the practice range; add more posts and make it waist high. Add the two more Caution signs.
11. Repair the picnic tables.
12. Add chicken wire around top of registration booth to discourage the birds & bats.
13. Dump all trash cans. Take a run to the landfill with painted wood, metal, and carpet scraps.
14. Build side racks on club trash trailer.
15. Re-measure and build permanent markers for the hunter, field and animals rounds.
