

The Ishi Archery Club, Inc. promotes a family oriented atmosphere for individuals with an interest in archery. It is a chartered club of the National Field Archery Association and the California Bowmen Hunters/State Archery Association.

The range is located on Hwy 36 East just 2.5 miles east of the Hwy 99 West junction in Red Bluff. Look for the "Ishi" signs and the range is on the left side of the road. The range provides a practice shooting area and 42 permanent targets. There is also an unmarked range on the south side of the highway. This archery range is operated and maintained by the Ishi Archery Club, Inc. in partnership with County of Tehama and the US Bureau of Land Management under Recreation and Public Purpose Act.

The use of the range is free to all current members. All others must pay a \$5.00 use fee per day. There is a locked gate; only members have access to the gate lock combination.

The Ishi Archery Club, Inc. annually hosts two or more tournaments, a summer league and an indoor shoot if a facility is available. These events provide the opportunity for members to competitively shoot for awards and serve as fundraisers for the club. Non-members are assessed an additional fee to participate.

For the Ishi Archery Club, Inc. to be successful, active members are needed to help maintain the range, help at work parties, and help organize our sponsored tournaments. All members are invited to attend the monthly business meetings. Call 527-0749 or 527-4200 for the next meeting's date, time and place.

As an Ishi Archery Club member, you will receive notification of other archery clubs' shoots in Northern California. Other regional & state activities include legislative involvement to promote archery and bow hunting in the state of California, sponsorship of target and field tournaments and a hunting awards program known as the "Big Game Club".

The Ishi Archery Club annual membership fee is \$30 per individual or \$35 per family. Make checks payable to Ishi Archery Club, Inc. and mail to 859 Washington Street, PMB 184, Red Bluff, CA 96080.

We hope you consider joining us in promoting archery in Tehama County!
