President's Message

APRIL & MAY 2009

Awhile bac, Don Gipson attended an indoor shoot in Oregon and was very impressed. He stated **"Boy, that club really has it together;** they had raffle with prizes and donations from local merchants for a money shoot, etc." I have been thinking about this and this is really what he meant. This Oregon club has members that are willing to take the responsibility to get prizes by contacting merchants for support of the shoot. They have members that attend meetings and put forth their thoughts and actually get involved in the business of the club.

I believe it was the last meeting that Bill Peterson made a proposal on improving the practice range. Even though it was not passed in its entirety, we did buy some of the targets to evaluate. Also, because of his suggestion, I have talked to some of you and you also would like to upgrade the looks of the practice range. At our next meeting, I will suggest that we do build new butts. This would not have even been considered if Bill had not made the proposal. **A club is only as good as the active members.** I encourage everyone to take the first step and stay after the April 9th Thursday night shoot to share your thoughts and get involved!

Our next business meeting will be held on THURSDAY, April 9th following the league shoot at the range. We will be finalizing the May tournament ... need volunteers to be responsible for the food concession, get raffle prizes, etc. We will also be reviewing/updating our Bylaws. And need approval for purchase of wood for new target butt bases; repair 3-D targets for tournament, etc.

We have had a busy Winter & early Spring ... Indoor Shoot, March Tournament, and a Youth Tournament. All were well attended despite the wind and rain forecasts for the March tournaments. Special thanks to everyone for helping getting the range in shape and helping at the work parties and shoots!

We have begun the **Summer League** ... come on out on Thursdays at 5 PM for a round of 16 3-D targets. It will continue until August. The cost is only \$5.00 for members and \$10 for non-members. Wednesday is also Youth Night ... 4-Hers and Ishi Youth members can attend for lessons and shoot paper targets. Equipment is available.

The range is in good order. But, we do need to get ready for the **May 17th tournament.** We need to move the targets butts back to the animal round; build new target frames for the new straw bales on the practice range; repair 3-D targets; and build the extension of the registration

booth. **A reminder to all that when there is a scheduled work party, the range is closed to all shooting.** We can have fun after the work is done! Mark your calendars for work parties on Saturdays, May 9 and 16. We will also plan some during the weekday evenings.

Our next major project is the **Red Bluff Round Up Rodeo** parking detail in the Trinity Lot. We need volunteers from Monday, April 13th thru Friday, April 17th. Most days are from 6 AM – 6 PM. Tuesday is an all night watch! Call Leland at 527-4200 to sign up or he will be calling YOU! The club will receive \$1,500 for the building fund!

Hope to see you at the Thursday night league and enjoy the spring tournaments in the North state!

Mark your calendars!
